

THE BOYS' BRIGADE

WORLD MISSION FUND

(CHURCH OF SCOTLAND)

SESSION 2007-2008 APPEAL **WHAT A LOAD OF RUBBISH – NAGPUR INDIA**

Dear Captains,

Once again I enclose information concerning the new World Mission Fund Project for this session, and while the material could be used simply as an educational project for the boys, we hope very much that you will use it to support a fund-raising project for our Appeal. Once again Carol Finlay of the World Mission Council of the Church of Scotland has given considerable time and effort in the preparation of the resource material, which I am sure you will agree to be attractive and useful. Please also remember that further information can be had on our website.

www.worldmissionfund.org.uk

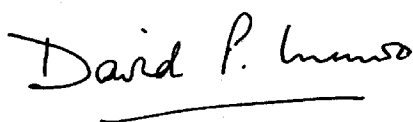

This year the appeal is to help the Children who work as Rag Pickers on the refuse heaps in Nagpur – India most of the children are from very poor families and the income they bring is essential to provide the very basics for their family members. There is no provision for food, shelter, education or medical facilities for these children and by supporting this project we will help to provide some relief by giving basic education that will enable them to move on. The centre will also give them the opportunity of smiling and playing together as children. If you want to read the full project proposal this can be obtained in detail from our website.

I would urge you to encourage each section of your Company to take part in this project. . In discussions with representatives of the Scotland Committee, it has been suggested that the re-institution of the Christmas Appeal approach might be considered, and if that is suitable to your Company's programme, we would be very happy that this should be done, perhaps especially with Anchor boys and Junior Section.

The key to success in our effort is for more Companies across Scotland to participate. Can I ask you to give very serious consideration to your Company's joining others in supporting what is a very worthwhile cause?

The World Mission Fund Cheque presentation will this year take place on Friday 16 November in Scone and is being sponsored by Perth Battalion. In addition to the presentation, there will be a short display by Perth Battalion to which all Officers and Boys are warmly invited..

With prayers and best wishes for your effort.

DAVID P MUNRO
(The Rev David P Munro, Chairman)
