Marching to a New Tune

“ I was born in Lusaka and grew up in a remote city. Unfortunately my mother died in early 2004 and ever since my life has been miserable because I have many difficulties. My unhappiness was lessened by the Boys' Brigade as they helped with some of the basic necessities. I am happy at the moment despite the failure to get school fees. I am hoping to do better because my future is bright and I don't want to end up in a mess.” **CHVLINGA**

HELP THE BOYS TO BLOW THEIR OWN TRUMPETS!

Blowing their own Trumpets

THERE ARE MORE BOYS IN THE BAND THAN THERE ARE TRUMPETS, DRUMS AND TROMBONES - SOME OF THE FUNDS RAISED THIS YEAR BY THE BBS IN SCOTLAND WILL HELP TO BUY NEW INSTRUMENTS.

We need new instruments to supplement the existing ones to cater for the increasing number of members. We need a drum set consisting of five **SNARE DRUMS**, two **BASS DRUMS**, and a **MARCHING STICK** (mace). We need brass instruments: **TRUMPETS, TROMBONES, SAXOPHONES, HORNS** and **EUPHONIUMS**.

The reason we are in need of the instruments is we want to use our God-given talents to reach out to our friends in society.

Can you raise a million for us?

Kwacha (not Pounds) which would buy a trumpet. (K1 million = £120)
Boys also need uniforms so everyone is alike at meetings; each costs £25.

“We appreciate all the help you can give towards our projects. Thank you and hope to hear from you. God bless.”
TRUSTON

“Our BB brigade has 3 sections - Junior, Company and Officers. Also we have the band section. We don't have enough instruments for the number of boys in the band and have rare chance of playing the instruments!”

Building for the Future

- **WITH ADDED CHICKENS!**

1 BRICK MAKING

We intend to buy an electric brick making machine which costs 8 million Zambian Kwacha (c £1,000) and about K2m (c £240) for material - cement, sand, and other items.

We looked at the demand for bricks in the construction industry and the need for brick-making as our congregation has a church construction project that needs bricks.

2 CHICKEN REARING

This is also an income generating project which we have decided to undertake. Through this, we hope to sell chickens to the members of the congregation and in our communities. We need about k1.5 million (c £180) for the project. We will soon put up shelter where we will be keeping the chickens.

“I would like to say that the Boys' Brigade is very interesting because it helps in many ways as we grow spiritually, learn team work, get smarter and learn discipline. As a brass band we minister to the word of God through instruments. Instruments are very few and some are damaged and we need to replace them. We don't just sit - we are going to do some work to raise the money so that we can solve some of the problems.”
